Myocardial Infarction		
by Torpy, Janet M ; Lynn, Cassio ; Glass, Richard M		
Torpy talks about myocardial infarction or also known as heart attack. She narrates that it occurs when blood supply to a part of the myocardium is interrupted, either by lack of blood flow, obstruction by a clot, or rupture of a plaque artery. Among other things, she also presents its signs and symptoms, its treatment and tips on how to reduce one's risk.
